## Risk Management workshop

### **Cyber Risk Management – Webinar**

Willis Towers Watson is providing risk management support for all RPA members through audit, guidance and advice. As part of the risk management support RPA members are invited to a workshop covering:

- **Cyber risk management, including case studies and typical fraudulent attempts made during the Covid-19 pandemic.**

#### **Venue and date:**

4<sup>th</sup> and 18<sup>th</sup> November - Webinar Sessions (Link will be sent following registration and acceptance)

#### **Course style and format:**

Each Webinar will start at 10am but delegates should log onto the webinar at least 5 minutes before the start.

The sessions will be approximately two hours in duration and will be delivered through a PowerPoint presentation, which includes case studies. Due to the number of delegates we will not be able to take questions during or after the Webinar, although you will be able to e-mail questions upon completion. We will aim to respond to these within 2 working days.

#### **Who should attend?**

The workshop is aimed at all those with responsibility for, or involvement in, Cyber risk for their School or MAT particularly head teachers, business managers, facilities managers, and risk management professionals. Attendance will be limited to two attendees per school and will be allocated on a first come, first served basis.

#### **The benefits of attending:**

- To understand what best practice looks like in relation to Cyber Risk Management
- To be more aware of typical fraudulent attempts made during the Covid-19 pandemic
- To know where to access additional advice and guidance
