

Trusted Relationships Competition

Your chance to win resources for your school

Please note the new deadline for entries.

North Somerset is one of eleven local authorities to receive Trusted Relationships funding from the Government with the aim of reducing young people's involvement in exploitation and abuse.

The main purpose of the North Somerset project is to increase the number of emotionally available, trusted adults to whom children and young people can turn, and to build stronger relationships between teams and agencies.

We want to involve as many young people as possible in the conversation about what a 'trusted relationship' means to them. We are inviting young people in three different age groups – Primary schools: 10 & 11 year olds; Secondary schools: 11-16 year olds; Post-16: 16-18 year olds - to submit drawings/paintings; short stories; poems; songs/rap; films etc. on the theme of 'trusted relationships'. The entries will be judged and the top three in each age group will receive a prize not only for themselves but also for their education setting.

Prizes

- The winner of each age group will receive £1,000 for his or her education setting to spend on resources which relate to the theme of 'trusted relationships', with £100 for the child/young person
- The winner of the second prize in each age group will receive £750 for the setting, with £75 for the child/young person
- The winner of the third prize in each age group will receive £500 for the setting, with £50 for the child/young person

The winning entries will be shared with the Home Office.

If your school/education setting would like to enter, please contact Sally Woodlock, Trusted Relationships Project Officer, to register. Sally will then send you additional information. Sally's email address is: sally.woodlock2@n-somerset.gov.uk

The closing date for entries is: 4 December 2020
