Ofsted Inspection of Local Area SEND Services – Information for parents/carers

As you may be aware, Ofsted and CQC were due to revisit the area to review progress in improvements to our SEND support prior to the Covid-19 situation arising in March 2020. They have now restarted inspection activity and will be visiting North Somerset during week commencing 17th May 2021.

In advance of the visit, inspectors will be providing an online survey for parents and carers of children and young people who receive SEN Support or have an Education, Health and Care Plan. I would be grateful if you could bring this to the notice of those parents and carers at your school, using the attached letter from the Lead Inspector for details.

We will be in touch again shortly to provide more information on the revisit and what involvement you can expect during the coming weeks.

Sheila Smith
Director of Children's Services
