COMPLAINTS POLICY AND PROCEDURE

Statutory

1. Policy Outline and Scope

The Lighthouse Schools Partnership is required to have a Complaints Policy and Procedure meeting certain requirements by the Education (Independent School Standards) (England) Regulations 2014, and to make the procedure available to parents and carers of pupils and prospective pupils.

Our Trust is committed to developing a strong sense of partnership with parents and carers and other members of the local community. We aim to resolve concerns informally where possible, at the earliest possible stage. There may be occasions when parents/carers would like to raise their concerns formally. This policy outlines the procedure relating to handling such complaints.

This policy does not cover complaints procedures relating to (the appropriate policies/guidance are in brackets below):

- Admissions (LSP Admissions Policy)
- Statutory assessments (EHCP) of Special Educational Needs (SEN) (LSP SEND Policy)
- Suspensions and permanent exclusions ([DfE Guidance on Suspensions and Exclusions](#))
- Examination or qualification outcomes (see relevant Exam Board)
- Safeguarding Matters (LSP Safeguarding Policy)
- Whistleblowing (LSP Safeguarding Policy)
- Staff grievances (LSP Grievance Policy)
- Staff discipline (LSP Disciplinary Policy)

The Complaints Policy is in place to ensure that parents and carers are able to express their concerns in an open and honest way in accordance with a published procedure.

The complaints procedure is designed to:

- encourage resolution of problems by informal means wherever possible;
- be widely accessible and well-publicised;
- be simple to understand and use;
- be impartial;
- be non-adversarial;
- allow swift handling, with established time limits for action, and keep people informed of progress;
- ensure a full and fair investigation by an independent person where necessary;
- respect people's desire for confidentiality;
- address all the points at issue, and provide an effective response and appropriate redress, where necessary;
- provide information to school's leadership team so that services can be improved.

Complaints or concerns relating to Child Protection/Safeguarding matters will be recorded on a separate log. Such matters will be passed to the designated Safeguarding Lead and handled through the Safeguarding Policy and procedures.

The LSP Complaints Policy may need to be set aside to permit completion of investigations by external agencies, for example the Police or Local Authority. If this occurs the Chief Executive (CEO) will write to the complainant informing them of how the internal process has been affected and at what stage the complaint will be resumed at.

This policy is for use by parents/carers with children currently attending a school within the Lighthouse Schools Partnership. Members of the public are welcome to raise an issue which will be responded to as swiftly as possible, however it will fall outside the scope of this policy.

2. Investigating Complaints

A 'concern' may be treated as 'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'. A complaint may be generally recognised as 'an expression or statement of dissatisfaction however made, about actions taken or a lack of action'.

At each stage, the person investigating the complaint will make sure that they:

- establish what has happened so far, and who has been involved;
- clarify the nature of the complaint and what remains unresolved;
- meet with the complainant or contact them (if unsure or further information is necessary);
- clarify what the complainant feels would put things right;
- interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish;
- conduct the interview with an open mind and be prepared to persist in the questioning;
- keep notes of the interview.

3. Resolving complaints

At each stage in the procedure we aim to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation;
- an admission that the situation could have been handled differently or better;
- an assurance that we will try to ensure the event complained of will not recur;
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again, and an indication of the timescales within which any changes will be made;
- an undertaking to review school policies in light of the complaint;
- an apology.

4. Confidentiality

All conversations and correspondence will be treated with discretion. Where the complaint is raised by a parent, they need to feel confident that their complaint will not penalise their child. From the outset all parties to a complaint will need to be aware that some information may have to be shared with others involved in the operation of the complaints procedure. It is at the discretion of the Headteacher as to whether anonymous complaints warrant an investigation. It is usual to disregard anonymous complaints unless somebody is prepared, and able, to substantiate them.

All correspondence, statements and records relating to individual complaints are to be kept

confidential except where the Secretary of State, or a body conducting an inspection under section 109 of the Education Act 2008, request access to them.

5. Record keeping

Complaints will be recorded in writing and it is expected that the person handling the complaint will keep and retain detailed documentation likely to include letters, emails and notes of investigations. It is best practice that any face to face meetings or phone calls are followed up with an email outlining the key points of the discussion held. Recording will begin at the point when a broad concern has become a specific issue that cannot be resolved promptly, but needs investigation. Recording at the earliest stages need only be a basic record with the date, name and nature of the complaint. The record will detail whether the complaints were resolved at the preliminary/informal stage, or whether they had to proceed to the formal stages of the procedure. The school will record the action that they took as a result of the complaint (regardless of whether the complaint was upheld).

All formal complaints (Stage 1 and above) should be passed to the Lighthouse Schools Partnership for inclusion on the Central Complaints Register.

6. Levels of response

The complaints procedure follows a number of stages:

Informal Complaint - an opportunity to resolve a concern with the school on an informal basis

Stage 1- Formal complaint stage when the complaint is made in writing and usually responded to by the Headteacher (or designated senior member of staff or Chair of Governors/Trustees);

Stage 2 --Complaint Review. A formal complaint stage when the complainant has not been satisfied by the school's response to the complaint at earlier stages and the matter is referred for review;

Stage 3 - Appeal heard by a panel appointed by the Board of Trustees. In the event that the complaint cannot be resolved at Stage 2 a further review by a panel appointed by the Board of Trustees will be offered.

6.1 Informal Complaints or Concerns

We believe that most concerns can be resolved satisfactorily by informal discussion either over the telephone or through a meeting of the key people involved.

An opportunity to resolve the concern with the school on an informal basis, for example through discussion/correspondence with a senior member of staff, should be offered to all those raising an issue. There are many occasions where concerns are resolved immediately through the class teacher, line manager or senior member of staff.

Individuals must feel able to raise concerns with members of staff without any formality, either in person, by telephone or in writing. On occasion it may be appropriate for someone to act on behalf of a parent.

There is no rigid timescale for resolving concerns and complaints at this stage, given the importance of dialogue through informal discussions, however, it is expected that most concerns will be resolved within 10 school working days. Should the nature or complexity of

the concern mean that more time is required, the school will write to the Complainant within 10 school working days informing them of the reason for the delay and confirming a revised date for resolution.

At first, it may be unclear whether an individual is asking a question or expressing an opinion rather than making a complaint. An individual may want a preliminary discussion about an issue to help decide whether he or she wishes to take it further. These should take place within 5 school working days of the concern or query being raised.

If the concern cannot be resolved through informal dialogue the person raising the concerns should be referred to the Complaints Policy and advised that they have the right to make a formal complaint in writing.

It is a precondition to the operation of this policy that the complainant shall have made reasonable attempts to seek an informal resolution and shall have acted in relation to the matter in a reasonable and measured way. If a Headteacher or the Chief Executive feel that such reasonable attempts have not been made, they may refer the matter to the Chair of Trustees who shall have a discretion, which will be exercised reasonably, not to allow a complaint to be pursued where this precondition has not been met.

6.2 Formal Complaints

Individuals have the right to raise a formal complaint or to ask for an informal concern to be looked at formally. This should be done in writing to the Headteacher and should cover the outline of the complaint and ideal resolution to the concerns being raised. Appendix 1, at the end of this policy, contains the details and information that should be included.

The school will acknowledge complaints within 5 school working days and give a full written response to complainants within 10 school working days. If the complaint is judged to involve complex issues, complainants will be informed within 10 school working days when they can expect a full response. Complainants will be kept informed of progress if a lengthy investigation is involved. The main aim throughout the process is to resolve the matter as quickly and effectively as possible, to everybody's satisfaction.

7 Guidelines for Each Formal Stage

7.1 Stage 1- Complaint Response

A formal complaint stage when the complaint is made in writing and usually responded to by the Headteacher (or designated senior member of staff or Chair of Governors/Trustees if the complaint is against the Headteacher/Chief Executive). At this stage it has become clear that informal steps to address the problem have not been successful or acceptable and the concern is a definite complaint. One of the reasons for having graduated stages in the procedure is to reassure complainants that their grievance is being taken to the appropriate level of management. At this point the school/Headteacher/Chair of Governors/Trustees will clarify with the complainant that the complaint has moved to a formal complaint procedure.

7.2 Stage 1 Procedure

The senior staff member will acknowledge the complaint orally or in writing within five school working days of its receipt. An opportunity will be given for the

complainant to meet the Headteacher (or designate) to provide any supplementary information. The complainant may be accompanied at the meeting by a person of his or her own choice who is independent of the complaint. This can be a relative or friend. We do not allow either party to bring legal representatives to the meeting. If the complainant has additional needs, we will seek to accommodate reasonable requests to give better access to the complaints process.

The staff member dealing with the concern will make sure that the complainant knows what action (if any), or monitoring of the situation, has been undertaken.

The Headteacher (or designate) will interview any witnesses or others who can provide relevant information and take statements from those involved. If the complaint centres on a pupil, the pupil may also be interviewed.

As per DfE guidance brief notes should be made of meetings or telephone calls involved in investigating the complaint.

If a member of staff is the subject of a complaint, this can cause stress and anxiety. The person investigating the complaint should be mindful about their wellbeing and the need to offer support to the member of staff (for example the Employee Assistance Programme).

The Headteacher (or designate) will keep written records of meetings, telephone conversations and other documentation.

All complaints will be logged, both on the School's Complaints Log, and with the LSP Central Team once the formal response has been sent.

In some cases, a complaint may lead to disciplinary action against an individual, for which there are separate procedures. If this is the case, the complainant will be informed that the complaint will be pursued through disciplinary action. Under the LSP's disciplinary procedures, the outcome of these procedures is confidential.

Once the facts have been established, the Headteacher (or designate) will write a Stage 1 response letter outlining their findings. They may also meet/telephone the complainant to discuss/resolve the matter directly within 10 working school days. If the complaint is judged to involve complex issues, complainants will be informed within 10 working school days when they can expect a full response. Complainants will be kept informed of progress if a lengthy investigation is involved. Possible outcomes are indicated in section 3 of this policy.

The complainant must be advised, in the Stage 1 response letter, that should they wish to request the complaint to be moved to Stage 2 Complaint Review (see 7.3 for more details) they must contact the LSP Central Team within two weeks of the date of the Stage 1 response letter.

Email - Enquiries@lsp.org.uk

Post - Lighthouse Schools Partnership, Gordano School, St Mary's Road, Portishead, BS20 7QR

A copy of the Stage 1 response letter must also be emailed to enquiries@lsp.org.uk so that it can be logged on the Central LSP Complaints register.

If the complaint is against the Headteacher, Stage 1 will be carried out by the Chair of the Local Governing Body who should make the Chief Executive aware. If the complaint is against the Local Governing Body of the school then the complaint will be referred to the LSP Board of Trustees. In either case, the Chief Executive may be asked to investigate and manage the complaint. If the complaint is against the Chief Executive, Stage 1 and 2 will be carried out by the Board of Trustees. The Chair of Trustees may wish to delegate elements of investigation to a senior

member of the Trust Central Team, another Trustee or a member of senior school staff.

7.3 Stage 2 - Complaint Review

Complaints should very rarely reach Stage 2 as it is hoped that Stage 1 will resolve the concerns or issues raised and the complainant will be satisfied with the outcome.

A Stage 2 Complaint Review will re-examine any elements of the complaint not resolved at Stage 1 and to review the process undertaken and decision made. The aim of this stage is to resolve the complaint as outlined in Section 3 of this policy. If a Stage 2 Complaint Review is requested it may be appropriate for this now to be considered as a complaint against the school, rather than against the member of staff/pupil whose alleged actions led to the original complaint.

7.4 Stage 2 Procedure

The complainant must make a formal request, within two weeks of the date on the Stage 1 response letter, to have their complaint reviewed at Stage 2. Ideally this request would be in writing, but support can be offered from the school office to note the outline of the request verbally.

The complainant's Stage 2 request **must** outline what elements of their original complaint have not been resolved or addressed fully and the ideal resolution they are looking for (using the prompts in Appendix 1 (at the end of this policy)).

A member of the LSP Central Leadership Team will review the request, and information given, and will confirm to the complainant, within five school days, who will be leading the complaint review (the 'Stage 2 Complaint Reviewer').

The Stage 2 Complaint Reviewer will be a member of the LSP Central Team or the Chair of Governors for the school if more appropriate.

If either the Chair of Governors or the Chief Executive led the investigation under Stage 1 they will not be involved in the Stage 2 review.

If the Stage 2 complaint is about the CEO this stage will be led by the Board of Trustees.

The Stage 2 Complaint Reviewer will review the handling of the complaint at Stage 1 and any further evidence or information relating to the original complaint in Stage 2.

Further or additional complaints may not be introduced at this stage.

It may be necessary for the Stage 2 Complaint Reviewer to meet with the complainant to understand the issues raised in a complaint and what resolution is being sought. As per DfE guidance brief notes should be made of meetings or telephone calls involved in investigating the complaint. The Reviewer will examine the paperwork and documentation from the Stage 1 complaint as well as speaking with staff or witnesses involved if required.

Once the facts have been established, the Stage 2 Reviewer will write a Stage 2 response letter outlining their findings. They may also meet/telephone the complainant to discuss/resolve the matter directly within 10 working school days. If the complaint is judged to involve complex issues, complainants will be informed within 10 working school days when they can expect a full response. Complainants will be kept informed of progress if a lengthy investigation is involved.

The Reviewer may determine a different outcome than that reached at Stage 1.

The aims should be to be fair to all parties and, if possible, to resolve the complaint. If a different outcome is reached, the reasons for this should be stated in the written response. The Headteacher will also be advised of the findings of the Stage 2 Complaint Review.

A copy of the Stage 2 response letter must also be emailed to enquiries@lsp.org.uk so that it can be logged on the Central LSP Complaints register.

The complainant must be advised, in the Stage 2 response letter, that should they wish to request the complaint to be moved to Stage 3 of this policy they must contact the LSP Central Team within two weeks of the date of the Stage 2 response letter:

Email - Enquiries@lsp.org.uk

Post - Lighthouse Schools Partnership, Gordano School, St Mary's Road, Portishead, BS20 7QR

7.5 Stage 3 - Complaint Review Panel

Complaints should very rarely reach Stage 3; If the complaint is still not resolved at the end of Stage 2 then the complainant may seek to address a complaint panel appointed by the Board of Trustees with their complaint.

A Stage 3 Complaint Review Panel will allow the complainant and representatives from the LSP to directly outline the cause of continuing dissatisfaction to a panel who have not been involved in previous stages of the complaint in the hope to finally resolve the complaint as outlined in Section 3 of this policy.

The complainant must make a formal written request, within two weeks of the date of the Stage 2 Complaint Review response letter, to have their complaint considered for a Stage 3 review.

The complainant's Stage 3 request **must** outline what elements of their original complaint have not been resolved or addressed fully and the ideal resolution they are looking for (using the prompts in Appendix 1 (at the end of this policy)).

Further or additional complaints cannot be added at this stage.

A panel will be convened within 20 school working days of the Stage 3 request. If this is not possible a member of the LSP Central Team will write to the complainant to explain why this is the case and confirm when the panel can be convened. The outline of this independent panel hearing can be found in section 7.5.1.

The panel could be comprised of School Leaders, Trustees and Governors and will include at least one Trustees as well as a person independent of the school in question, as described in section 7.5.2. Individuals who investigated the Stage 1 and Stage 2 review will also need to be present at the panel hearing.

The decision of the Complaint Panel will be final from the Lighthouse Schools Partnership's perspective.

The Independent Complaint Panel can:

- Dismiss the complaint in whole or in part
- Uphold the complaint in whole or in part
- If the complaint is upheld, the committee will:
 - Decide the appropriate action to resolve the complaint
 - Where appropriate recommend changes to the school's systems or procedures to prevent similar issues.

All parties will be given five school working days' notice of a hearing and all parties must submit any relevant paperwork before the hearing date. The panel must only draw their conclusions on what is discussed and submitted to the panel hearing.

The complainant may be accompanied to the hearing by a person of their choice who is independent of the complaint. This can be a relative or friend. We do not permit either party to bring legal representatives to the panel hearing. If the complainant has additional needs, we will seek to accommodate reasonable requests to give better access to the complaints process.

If not the subject of the complaint, the Headteacher or senior member of staff may be invited to attend the hearing to offer information. Involvement of other staff is subject to the discretion of the Chair of the Panel. The panel will want to hear from staff involved in investigating the complaint at earlier stages.

The aim of the hearing will be to resolve the complaint and achieve reconciliation between the school and the complainant. The panel will review all previous paperwork and documents referring to Stages 1 and 2 of the complaint. However, it has to be recognised that it may only be possible to establish facts and make a determination. The hearing proceedings will be as informal as possible.

7.5.1 Hearing format

The hearing will allow for:

- The complainant to explain their complaint (additional/new concerns must not be raised at this point), and for the school representative to explain the school's response.
- The complainant and the Headteacher (or designate) to ask questions of each other and for members of the hearing panel also to ask questions.
- Any party to have the right to call witnesses (subject to the approval of the Chair of the Panel) and all parties having the right to question all the witnesses.
- Final statements by both the complainant and the Headteacher (or designate).

The panel will then put together its findings and recommendations from the case. The panel may need to adjourn to seek further information or legal advice. If this is the case the Complainant will be kept informed. The panel will provide a written letter within 5 school working days confirming their findings and recommendations to the complainant, and where relevant, the individual who is the subject of the complaint. A copy will also be made available to the Board of Trustees, Chief Executive, Chair of the Local Governing Body and the Headteacher.

A copy of the Stage 3 response letter should also be emailed to enquiries@lsp.org.uk so it can be noted on the LSP Central Complaints Register.

If the complaint is against the Headteacher, the Chief Executive will attend the hearing to provide information on how the complaint was managed at Stage 1. If the complaint is against the Chief Executive, the person leading the earlier stage of the process will attend.

7.5.2 Membership of Complaint Review Panels

Panels will consist of three persons who have not previously been involved in managing the complaint. Panel members will be LSP School Leaders, Trustees, Governors of schools in the Trust, or people in good standing in the community appointed by the Trustees. In each case one Complaint Review Panel Member will be a Trustees and another will be someone who is independent of the management and running of the school.

This means that the Independent Complaint Panel Member will not be a Trustee, a Local Governor of the school from where the complaint has originated, or an employee of either the Trust or the school. When appointing the Independent Complaint Panel Member, the Trust and the school will bear in mind the non-statutory advice of the Department for Education, which states:

“Whilst we do not wish to be prescriptive about who schools should appoint as an independent person our general view is that people who have held a position of responsibility and who are used to analysing evidence and putting forward balanced arguments would be suitable. Examples of persons likely to be suitable are serving or retired business people, civil servants, heads or senior members of staff at other schools, people with a legal background and retired members of the police force might be considered by schools. Schools will of course have their own views.”

For the avoidance of doubt, a Local Governor of another Lighthouse Schools Partnership school may be the Independent Complaint Panel Member, as long as they are not an employee of that school or the Trust, and they are sufficiently removed from the management and running of the school to be considered truly independent.

7.6 Referral to the Department for Education

Once a complaint has been through all the stages of this Complaints Policy, if the Complainant believes that this Complaints Policy does not comply with the Regulations, or if the Complainant believes that the Trust has not followed the procedure in this Complaints Policy, the Complainant can refer the complaint to the Department for Education for consideration.

The Department for Education (DfE) is not required to intervene in every case that is brought to their attention but must always consider whether, in light of the information provided, it should exercise its powers.

The DfE will check whether the complaint has been dealt with properly by the school, The DfE will not overturn a school’s decision about a complaint, but will intervene if a school or trust has:

- Breached a clause in its funding agreement
- Failed to act in line with its duties under education law
- Acted (or is proposing to act) unreasonably when exercising its functions.

If the trust’s complaints procedure is found to not meet regulations the trust will be asked to correct its procedure accordingly.

To find out more or to refer a complaint please visit: www.gov.uk/complain-about-school

This information must be included in the Stage 3 outcome letter.

8. Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

9. Late Complaints

Where a concern or complaint is raised more than three months after the incident or event (or where the complaint relates to a series of incidents or events, more than three months from the date of the latest incident or event), the school or Trust reserves the right to refuse to investigate the concern or complaint under the procedure in this Complaints Policy if it appears reasonable and fair to do so, having regard to the circumstances surrounding the complaint.

Where the school decides that a concern or complaint which was raised late will not be investigated, the school will write to the Complainant notifying them of the decision within **5 school working days** of the concern or complaint being raised.

If the Complainant is unhappy with the decision not to investigate a concern or complaint that was raised late, the Complainant may write to the Chief Executive (CEO) of the Lighthouse Schools Partnership asking for the decision to be reviewed.

Email - Enquiries@lsp.org.uk

Post - Lighthouse Schools Partnership, Gordano School, St Mary's Road, Portishead, BS20 7QR

The CEO will be provided with all documentation relating to the concern or complaint, together with the letter from the school to the Complainant and will review the decision made. The CEO will write to the Complainant with the outcome of the review within 10 school working days of the date that the letter from the Complainant seeking the review was received and provide the school with a copy of the letter.

If the CEO overturns the decision not to investigate the concern or complaint, it will be referred to the school to be dealt with under the procedure in this Complaints Policy in the usual way.

If the CEO upholds the decision not to investigate the complaint, the Complainant may refer the complaint to the Department for Education using the procedure stated in section 7.6 of this Complaints Policy. In exceptional circumstances, the CEO can delegate the responsibility for the review to another member of the LSP Central Team.

10. Persistent or Vexatious Complaints

There will be some occasions when complainants are reluctant to accept the outcome of the process.

Should the complainant continue to make contact on the same issue, the Board of Trustees has the power to inform them that the process is complete, and the matter is therefore closed.

In the context of Freedom of Information requests 'vexatious' is defined as the 'manifestly unjustified, inappropriate or improper use of a formal procedure.' The Trust prefers the term 'serial' or 'persistent' complaints. The Trust may apply the following criteria in determining whether the situation may be defined as 'serial', 'persistent', 'unreasonable', 'manifestly unjustified', 'inappropriate' or 'improper':

- all reasonable steps have been taken to address matters;
- a clear statement has been provided of the school's position;
- trivial or irrelevant information is presented which the complainant expects to be taken into account and commented on;
- the school is being repeatedly contacted with the same points being raised;
- the school has reasonable grounds for believing that the intention is to cause inconvenience;
- communications are aggressive in tone or content;
- the complaint refuses to articulate the complaint;
- abusive, derogatory and/or threatening comments are made;
the complainant seeks unrealistic outcomes or a solution that lacks any serious purpose or value;

The LSP may seek legal advice if they think that persistent contact by a complainant constitutes harassment.

11. Duplicate Complaints

If we have resolved a complaint under this procedure and receive a duplicate complaint on the same subject from a partner, family member or other individual, we will assess whether there are aspects that we hadn't previously considered or any new information needs to be taken into account.

If we are satisfied that there are no new aspects we will:

- Tell the new complainant that we have already investigated and responded to the issue and that the local process is complete;
- Direct to the Department for Education if they are dissatisfied with our original handling of the complaint.

If there are new aspects, we will follow this complaint procedure again.

12. Conclusion

By the Lighthouse Schools Partnership having a clear, published procedure, the Board of Trustees hope that this will help resolve problems and confirm good working relationships between all people involved with the school.

Procedure Flow Chart

A Stage 3 Independent Panel Review is the final stage of the Lighthouse Schools Partnership Complaints Policy.

Following a Stage 3 Review Panel if Complainant believes that the Complaints Policy does not comply with the Regulations, or if the Complainant believes that the Trust has not followed the procedure in this Complaints Policy, the Complainant can refer the complaint to the Department for Education for consideration:

<https://www.gov.uk/complain-about-school>

Please note:

This Complaints Policy applies to all schools within the Lighthouse Schools Partnership. It is in place to ensure that all concerns and complaints are dealt with swiftly, fairly and equally across the Trust.

Parents/Carers are strongly encouraged to read the whole policy so that they understand the time-scales and processes that need to be followed. All stages of the policy must be followed in the correct order.
