LIGHTHOUSE
SCHOOLS PARTNERSHIP

Introduction

Dear all,

We have had a very busy few days amongst the Central Education Team with three Ofsted inspections in three weeks and a Headteacher interview process thrown in to keep us spinning. The bank holiday weekend has been a welcome punctuation!

The Headteacher interview was at Winford and I am glad to share with you that Jenny Campbell, currently Headteacher at Blagdon, was successful. Jenny has done the most remarkable job at Blagdon, taking the school from Serious Weaknesses to a glowing Ofsted report last year and some of the best outcomes in North Somerset. I am certain that she will be an effective and popular Head at Winford too.

It is a few weeks since the Headteacher interviews at Northleaze and we have had to wait some time before announcing the outcome as the successful candidate's current school had asked for some time to plan succession. I am now delighted to confirm that Corinne Clarke, formerly Deputy Head at Backwell Junior School, and currently on a secondment to the Bath and Wells MAT, will be returning to us in Lighthouse. Corinne is a graduate of the West 100 programme and will do an exceptional job at Northleaze.

I am working with Janine Ashman to confirm our CPD offer for next year and we are aiming to seed the ground for a great many more stories of excellent staff developing skills in one LSP school, engaging with the best professional learning and then being given opportunities to put their learning into action in another school in our Trust. We aim to have development programmes for staff across the career stages that really deliver on our goals of developing and retaining great staff.

As ever,

Gary Lewis

Chief Executive

Ofsted: Inspection Data Summary Report (IDSR) update

Ofsted has updated the Inspection Data Summary Report (IDSR) for all applicable schools, which is now available through Ofsted's [IDSR service](#) on DfE Sign-in. The latest version to be used going forward has the release date: 01 May 2025.

This IDSR release contains:

- Revised (final) destinations data for 2022/23
- Final key stage 2 data for 2024
- Final key stage 4 data for 2024
- Final 16 to 18 data for 2024
- Final 3-term absence data for 2023/24

Martyn's Law and School Security

Schools may have received a number of emails from [Delegated Services](#) over the past few weeks regarding security threats to schools across the UK, and changes in DfE guidance in relation to [Martyn's Law](#).

The Central Team are working alongside Delegated Services to review the updated [DfE non-statutory guidance](#) to ensure we are compliant with the changes in the law in relation to being prepared for major incidents.

All LSP Schools should have a Business Continuity Plan in place. This should be checked regularly to ensure it is up to date, as well as ensuring your lockdown processes are in place and understood across your school.

Further information and updates will be given in due course. In the meantime should you have any questions please feel to contact [Trust Services](#).

Weekly Bulletin Circulation

As you are aware our weekly bulletin contains key deadlines, updates and information for leaders across the Trust.

It is circulated directly to:

- Headteachers
- School Business Managers and Office Managers
- Trustees
- Chairs of LGBs
- Clerks (who forward onto their LGBs)
- Central Team

We would recommend that it is also forwarded to the SLT in your school so that they are aware of the CPD opportunities and updates to key areas which they lead.

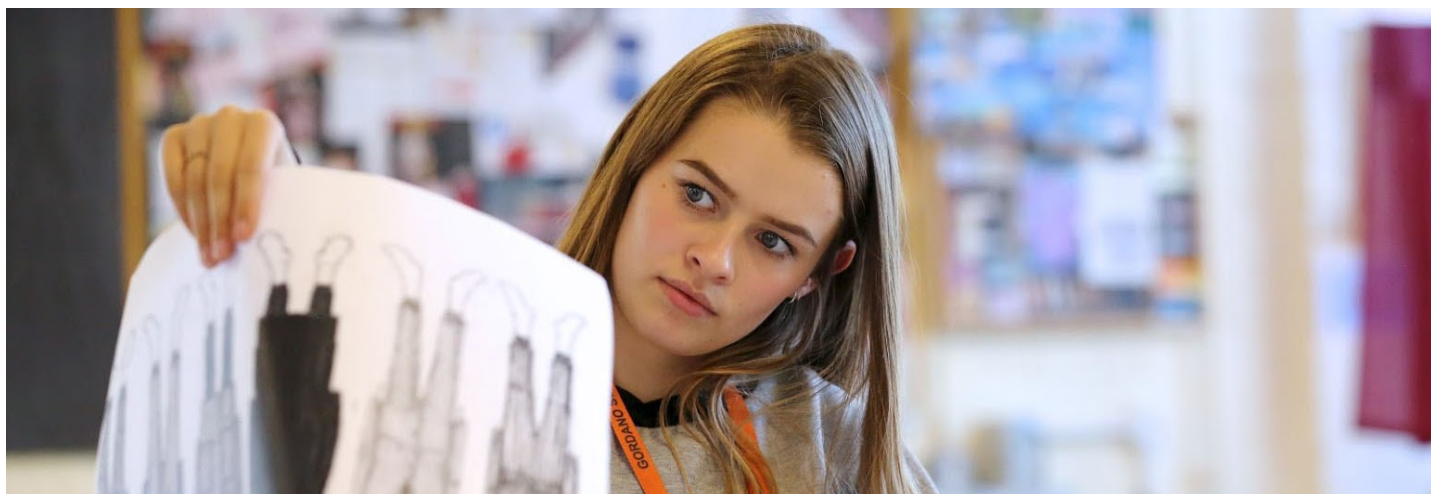

The weekly bulletin does not need to be circulated to all staff within your school, as the content is not relevant/appropriate. The Beacon, our Newsletter, is circulated directly to all school staff.

LSP Surveys—next steps

As you are aware the window for staff, parent and pupil surveys closes on Friday 9 May. Thank you for all your assistance in gathering responses so far.

Headteachers will be sent their results, and summary analysis, by Friday 6 June at the latest - please bear with us as we gather these together for you.

Any questions please do not hesitate to [get in touch](#).

Reminder - Five Counties Initial Teacher Training Placements 2025-26

A reminder to complete [this online form](#) confirming opportunities/placements you would be able to host for Five Counties ITT in 205-26 by Friday (9 May).

We are hoping to host trainee teachers at Lighthouse Schools Partnership schools as follows:

- Placement A: Monday 22 September 2025 - Friday 16 January 2026
- Placement B: Monday 26 January 2026 - Friday 3 July 2026

Trainees will spend four days a week in school and one day a week at centre-based training in Bristol.

We know you may already work with other providers in the area, but it is possible to host trainee teachers from more than one ITT programme as although training dates may be different the overall training content is common to all ITT. We are, however, eager to offer placements through Five Counties in our schools so please do consider this if you have not worked with them before.

Thank you in advance for your offers of placements.
