

CPD Training - Autumn 2020

Support for School Leaders, Staff, Governors & Parish Partners

Dear Colleagues

To help you start well in September we are offering you our core training and development for the Autumn Term 2020 as a gift from your Diocese.

To achieve this all of our core training and development will be accessible, online, and it will be free to school users, MATs and maintained schools too.

Training will still need to be booked via our website and links will be sent out to you to book as soon as they go live.

There will, hopefully, be other CPD opportunities too such as conferences and bespoke training which can be arranged directly through our teams here.

We do need to hear what you want and expect from us so we can consistently deliver to you relevant, high quality support.

However next term shapes up let us start well together and stay safe. Let us support one another as we continue to learn. Let us encourage each other as we face challenges and enjoy successes, in the confidence that we do not walk alone, we are together. We are family and in our family we care for one another.

I look forward, along with all of the great team here at Wells, to meeting you at our training and development events next term.

Ed Gregory
Director of Education
